Reverend Flowers and I along with the entire church family of TOCMC, rejoice with the angels in heaven that today you gave your life to Jesus. If Jesus were to come right now, you would go back with Him. You are saved! You are now a child of God and you need to get to know your heavenly Father. God knows all about you, but you need to know Him in an intimate and personal way. One way to do this is through prayer. Prayer is just talking with God. Start with 5 or 10 minutes each day. Make prayer a part of your life; for example, ask God to bless your food. Another thing you must do to get to know God is to have daily Bible study and meditation. Set aside a specific time each day to read your bible. Start at the beginning with a goal in mind to read the entire Bible. Read as much as you are personally able to grasp. For some, it may be one verse; or it may be one chapter, depending on the person.

Now that you are born again, it is important for you to join a Bible-believing, Bible-teaching church. It is the Word of God that keeps you steadfast in your walk with Him. God's Word says that faith comes by hearing, and hearing by the Word of God.

Here at Time of Celebration Ministries Church, we offer several activities that will help you grow as a Christian. You do not have to be a member of Time of Celebration Ministries Church to take advantage of the New Convert's Class, Men's Fellowship, Women's Fellowship, Sunday Worship Services, and Wednesday Night Bible Study.

We are excited and are praying for you as you journey your new life as a Christian!

Eternally Committed to Him,

Dr. Jacqueline T. Flowers, Pastor
